**BUCKINGHAM GREENERY, INC. ANNOUNCES PLANET DAY OF SERVICE
• DONATION TO VARIOUS COMMUNITY PROJECTS**

Buckingham, VA – Buckingham Greenery, Inc., a leading commercial Interior Landscaping firm, is participating in the Professional Landcare Network (PLANET), the national lawn and landscape association, nationwide “Day of Service” April 22, 2010 (Earth Day). Members of PLANET are organizing landscape projects in communities across the country to help improve the country’s green spaces while raising awareness of the lawn care and landscape industry and showing dedication to environmental stewardship. For more information about the national PLANET Day of Service, log onto www.planetdayofservice.org.

Buckingham Greenery, Inc team members will participate in seven projects throughout Central Virginia.

The Hampton Roads Branch Office is providing interior plantings for the entrance of the Indian River Library located in Chesapeake, Virginia.

**“TO PROVIDE INTERIOR LANDSCAPING SO WE AND OUR CLIENTS CAN FLOURISH
AND TAKE A BREATH OF FRESH AIR”**

The Richmond Branch Office has two projects in Richmond, Virginia.

- 1) A Grace Place Adult Care Center providing interior plantings of various color foliage for an existing built in planter in the lobby space.
- 2) Providing 4" plants in 4" biodegradable containers for the Hunton and Williams law firm's "Bring Your Child To Work" event where the participating children will paint the containers to be donated later to VCU's Children Medical Center

The Western Branch has three projects

- 1) Centra Hospice House, located in Lynchburg Virginia, providing exterior containerized plantings for the entrance
- 2) St. Thomas More Catholic Church, located in Lynchburg Virginia, providing horticultural services and restaging of all existing interior plantings
- 3) Salem Animal Shelter, located in Salem Virginia, providing interior planting for the lobby of the animal shelter

Buckingham Greenery, Inc. Corporate Office, located in Buckingham Virginia, is "Keeping the Highway Green" and will be picking up the debris on highway Route 24.

"Our team is very excited about the various 'green' projects and donating our products and services to the communities where we live and work. " said Connie Hom, owner of Buckingham Greenery, Inc.

About PLANET

PLANET, the Professional Landcare Network, is an international association serving lawn care professionals, landscape management contractors, design/build installation professionals, and interior landscape contractors. With more than 4,200 member companies and affiliates, these firms create and maintain the quality of life in communities, For more information visit www.planetdayofservice.org
